

§ 74.53 Retention and access requirements for records.

(a) This section establishes requirements for record retention and access to records for awards to recipients. The Secretary does not impose any other record retention or access requirements upon recipients.

(b) Financial records, supporting documents, statistical records, and all other records pertinent to an award shall be retained for a period of three years from the date of submission of the final expenditure report or, for awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, as authorized by the Secretary. The only exceptions are the following:

(1) If any litigation, claim, or audit is started before the expiration of the 3-year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken.

(2) Records for real property and equipment acquired with Federal funds shall be retained for 3 years after final disposition.

(3) When records are transferred to or maintained by the Secretary, the 3-year retention requirement is not applicable to the recipient.

(4) Indirect cost rate proposals, cost allocations plans, etc. as specified in § 74.53(g).

(c) Copies of original records may be substituted for the original records if authorized by the Secretary.

(d) The Secretary requests transfer of certain records to its custody from recipients when it determines that the records possess long term retention value. However, in order to avoid duplicate recordkeeping, the Secretary may make arrangements for recipients to retain any records that are continuously needed for joint use.

(e) The Secretary, the Inspector General, Comptroller General of the United States, or any of their duly authorized representatives, have the right of timely and unrestricted access to any books, documents, papers, or other records of recipients that are pertinent to the awards, in order to make audits, examinations, excerpts, transcripts,

and copies of documents. This right also includes timely and reasonable access to a recipient's personnel for the purpose of interview and discussion related to these documents. The rights of access in this paragraph are not limited to the required retention period, but shall last as long as records are retained.

(f) Unless required by statute, the Secretary does not place restrictions on recipients that limit public access to the records of recipients that are pertinent to an award, except when the Secretary can demonstrate that the records must be kept confidential and would have been exempted from disclosure pursuant to the Freedom of Information Act (5 U.S.C. 552) if the records had belonged to ED.

(g) The starting date for retention of the following types of documents (including supporting records) is specified in paragraphs (g)(1) and (2) of this section: indirect cost rate computations or proposals; cost allocation plans; and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

(1) *If submitted for negotiation.* If the recipient submits to the Secretary or the subrecipient submits to the recipient the proposal, plan, or other computation to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts on the date of submission.

(2) *If not submitted for negotiation.* If the recipient is not required to submit to the Secretary or the subrecipient is not required to submit to the recipient the proposal, plan, or other computation for negotiation purposes, then the 3-year retention period for the proposal, plan, or other computation and its supporting records starts at the end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation.

§ 74.60

TERMINATION AND ENFORCEMENT

§ 74.60 Purpose of termination and enforcement.

Sections 74.61 and 74.62 establish uniform suspension, termination, and enforcement procedures.

(Authority: 20 U.S.C. 1221e-3, 3474; OMB Circular A-110)

§ 74.61 Termination.

(a) Awards may be terminated in whole or in part only—

(1) By the Secretary, if a recipient materially fails to comply with the terms and conditions of an award;

(2) By the Secretary with the consent of the recipient, in which case the two parties shall agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated.

(3) By the recipient, upon sending to the Secretary written notification containing the reasons for the termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if the Secretary determines in the case of partial termination that the reduced or modified portion of the grant will not accomplish the purposes for which the grant was made, it may terminate the grant in its entirety under either paragraph (a)(1) or (2) of this section.

(b) If costs are allowed under an award, the responsibilities of the recipient referred to in § 74.71(a), including those for property management as applicable, shall be considered in the termination of the award, and provision shall be made for continuing responsibilities of the recipient after termination, as appropriate.

(Authority: 20 U.S.C. 1221e-3, 3474; OMB Circular A-110)

§ 74.62 Enforcement.

(a) *Remedies for noncompliance.* If a recipient materially fails to comply with the terms and conditions of an award, whether stated in a Federal statute, regulation, assurance, application, or notice of award, the Secretary may, in addition to imposing any of the special conditions outlined in § 74.14, take one

34 CFR Subtitle A (7-1-10 Edition)

or more of the following actions, as appropriate in the circumstances:

(1) Temporarily withhold cash payments pending correction of the deficiency by the recipient or more severe enforcement action by the Secretary.

(2) Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.

(3) Wholly or partly suspend or terminate the current award.

(4) Withhold further awards for the project or program.

(5) Take other remedies that may be legally available.

(b) *Hearings and appeals.* In taking an enforcement action, the Secretary provides the recipient an opportunity for hearing, appeal, or other administrative proceeding to which the recipient is entitled under any statute or regulation applicable to the action involved.

(c) *Effects of suspension and termination.* Costs of a recipient resulting from obligations incurred by the recipient during a suspension or after termination of an award are not allowable unless the Secretary expressly authorizes them in the notice of suspension or termination or subsequently. Other recipient costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if—

(1) The costs result from obligations which were properly incurred by the recipient before the effective date of suspension or termination, are not in anticipation of it, and in the case of a termination, are noncancellable; and

(2) The costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.

(d) *Relationship to debarment and suspension.* The enforcement remedies identified in this section, including suspension and termination, do not preclude ED from initiating a debarment or suspension action against a recipient under 34 CFR part 85 (see § 74.13).
